planning an event

Call the University Catering Office at 208.426.3890 or visit our office to place your order. This brochure was developed to assist in planning events and contains some of the most popular items for student events. Our catering sales associate can help you plan any type of event from start to finish. If you have a particular request, just ask and we will be happy to develop custom menus for any occasion.

ordering information

A copy of the approved student expense request is needed to place the order. Only an officer of the club can place an order. All orders must be placed a minimum of 3 full business days in advance to qualify for the Student Menu. Payment may be made by cash, check, or campus requisition.

helpful hints for party planning

Food Quantities
The time of day and purpose of the occasion will influence the quantity of food you will need. If you are serving light snacks or refreshments during or near meal times, you will typically need a larger quantity than between meal periods. The quantities planned for per person events are average size portions. We can help you determine the appropriate amounts for your group.

Pick-ups
The most economical way to host a party is to pick up the food and set it up yourself. Orders can be picked up at our Catering Jordan Servery. We can help you with transport and loading – i.e., loading a cart, etc. If you will need assistance, it’s helpful to ask at the time the order is placed.

Equipment and Location
All food and beverage orders will be packaged and will include the appropriate disposable service ware. Serving utensils are included with your order.

Please pick up food at the confirmed pick up time to ensure food quality. We can also deliver your order to any campus location; delivery and set up charges will apply.
